

NASHVILLE ENDOSCOPY CENTER

Thank you for selecting Nashville Endoscopy Center for the procedure that your physician has indicated that you need. We are very proud of our facility and strive to care for every individual with the professionalism, care and compassion that we would want for our family members and ourselves.

Please read everything in this folder first. Do not hesitate to contact our office if you have any question or concerns. Please complete the personal history form (blue sheet) and general information form (green sheet). It is also important that you read the information about your personal privacy. We are committed to keeping your medical information confidential. We will release information only to the physician(s) that you indicate. Please identify which person (other than yourself) we might contact regarding your care, should we need to relay information after your procedure. Please submit these forms at the time of your appointment. Our web site is www.nashville-endoscopy-center.com. Pertinent information and printable forms can be obtained on our web site as well as access to informative links.

Our pre-call nurse will contact you by phone prior to your appointment to inquire about pertinent medical information regarding your procedure. Please make sure that our office has a number where we can reach you during daytime hours. If it would be more convenient, you may contact us at **615-284-1335**.

It is imperative that you have a responsible driver with you. Because of the sedation that you will receive, you will be unable to drive for the remainder of the day. You will be in our facility for one to two hours. **You will not be discharged from our office without a driver present.**

Please do not eat or drink anything for six hours prior to the procedure.

Please bring your current insurance card(s) and a photo i.d. with you.

We look forward to meeting you, caring for you, and making your procedure as pleasant as possible. Please call or visit our website, www.nashville-endoscopy-center.com if you have any concerns or suggestions.
